

Goldilocks and the Three Stringosauruses

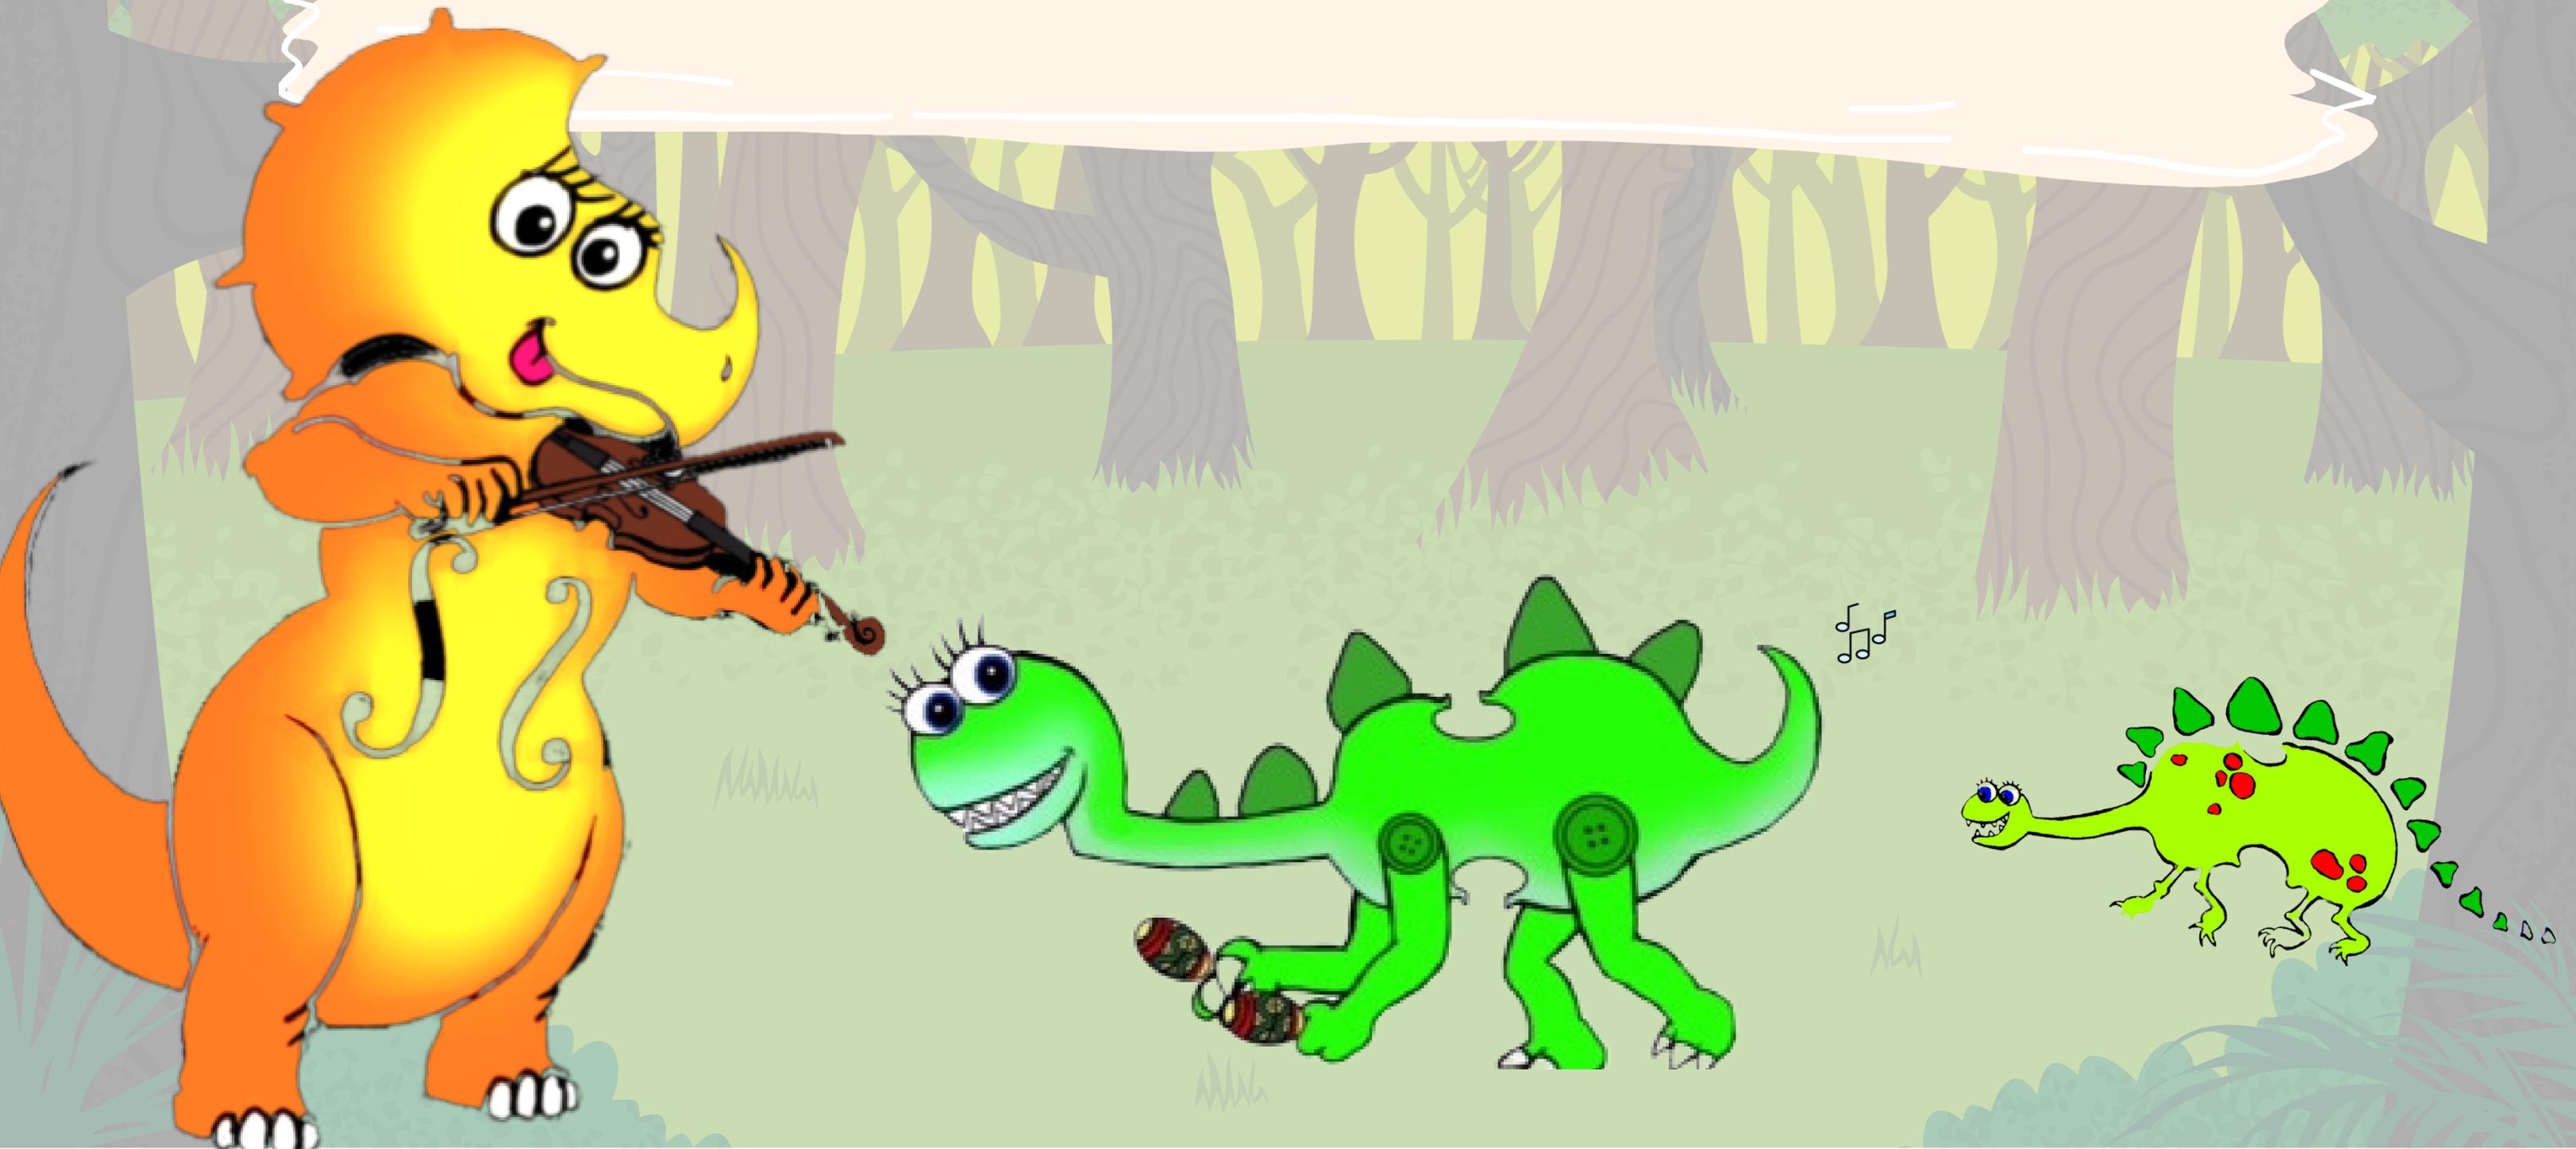

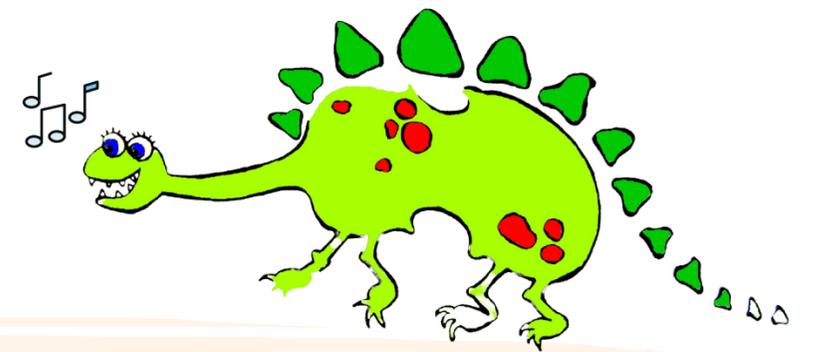

*Goldilocks and the
Three Stringosauruses*

Based on the traditional folktale. Retold by Laura Carr

Deep in the forest, there lived three Stringosauruses. There was a **big** Daddy Stringosaurus, a **middle-sized** Mummy Stringosaurus and a **tiny** Baby Stringosaurus.

Three Stringosauruses,
Three Stringosauruses,
See how they play?
See how they play?

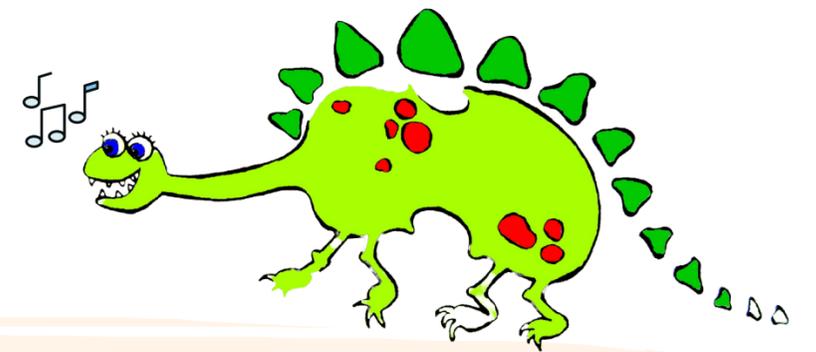

The Daddy's voice is **DEEP** and **LOW**,

His name is '**Cello**, did you know?

Have you ever seen such a show

As three Stringosauruses?

Three Stringosauruses,
Three Stringosauruses,
See how they play?
See how they play?

The Mummy's **middle** voice sounds **mellow**,

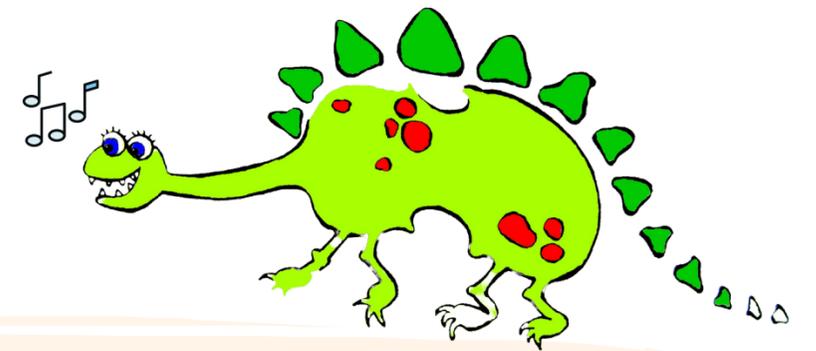

Her name is **Viola**, did you know?

Have you ever seen such a show,

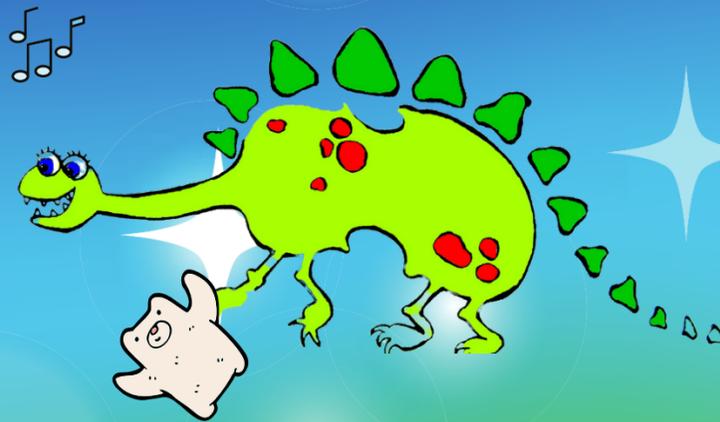

As three Stringosauruses?

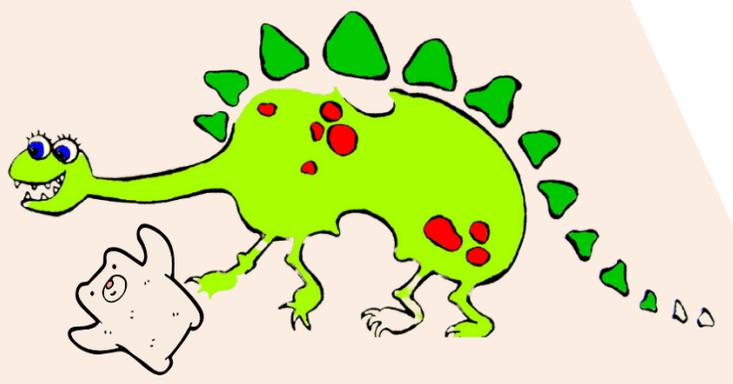

Three Stringosauruses,
Three Stringosauruses,
See how they play?
See how they play?

The Baby sings **high**, he's such a sweet fellow,
His name is **Violin**, did you know?
Have you ever seen such a show,
As three Stringosauruses?

On the other side of the wood lived Goldilocks. She had blond hair and was very nosy! She didn't like listening to her mother and would often get herself into trouble! She could also be very rude and thoughtless...

BOO!

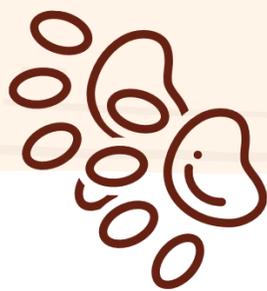

Oh, she was so cheeky!
Oh, she was so cheeky!
Oh, she was so cheeky!
She liked to hide and then say BOO!

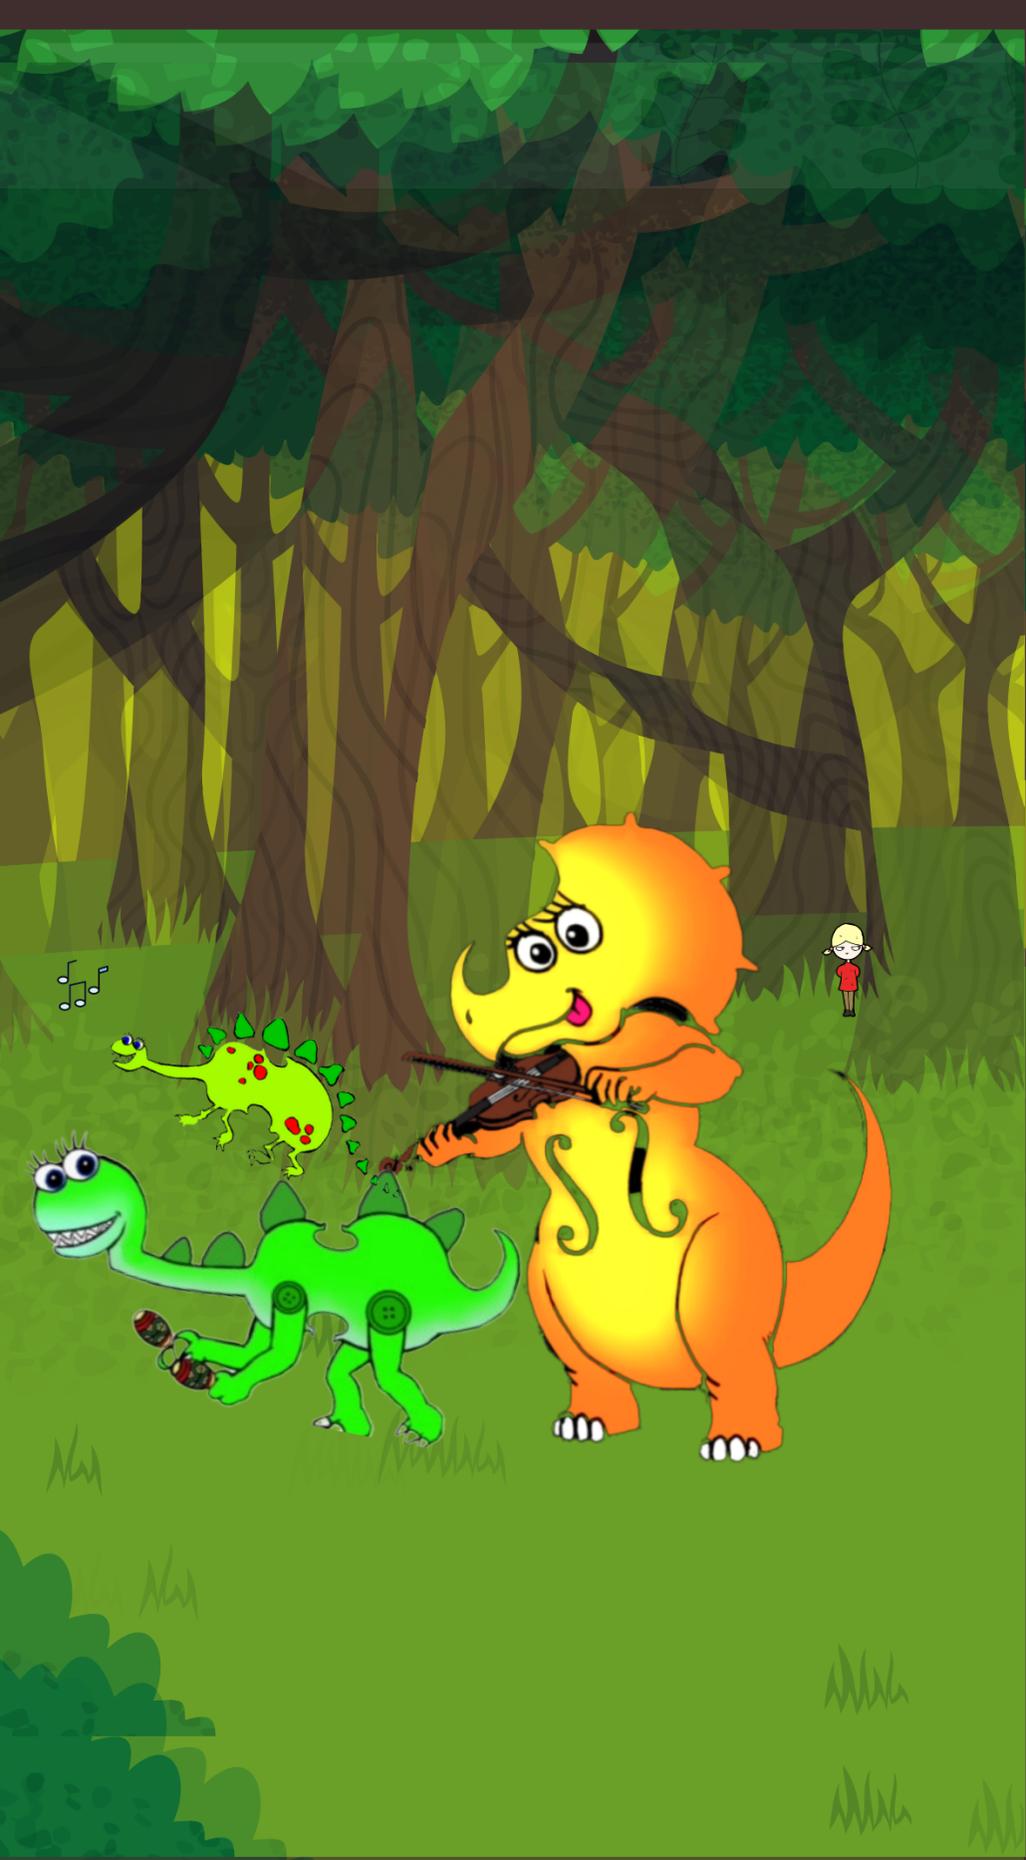

The three Stringosauruses had made some porridge for breakfast.

Whilst their porridge cooled down, the dinosaurs went out.
Stomping through the forest they swished their tails about.
Stomping, stomping, just like a daddy 'Saurus.

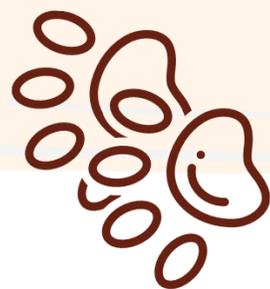

Whilst their porridge cooled down, the dinosaurs went out.
Stomping through the forest they swished their tails about.

Stomping, stomping, just like a mummy 'Saurus.

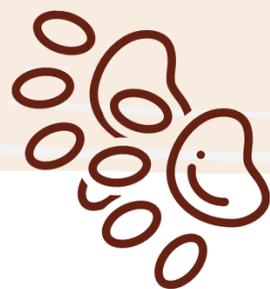

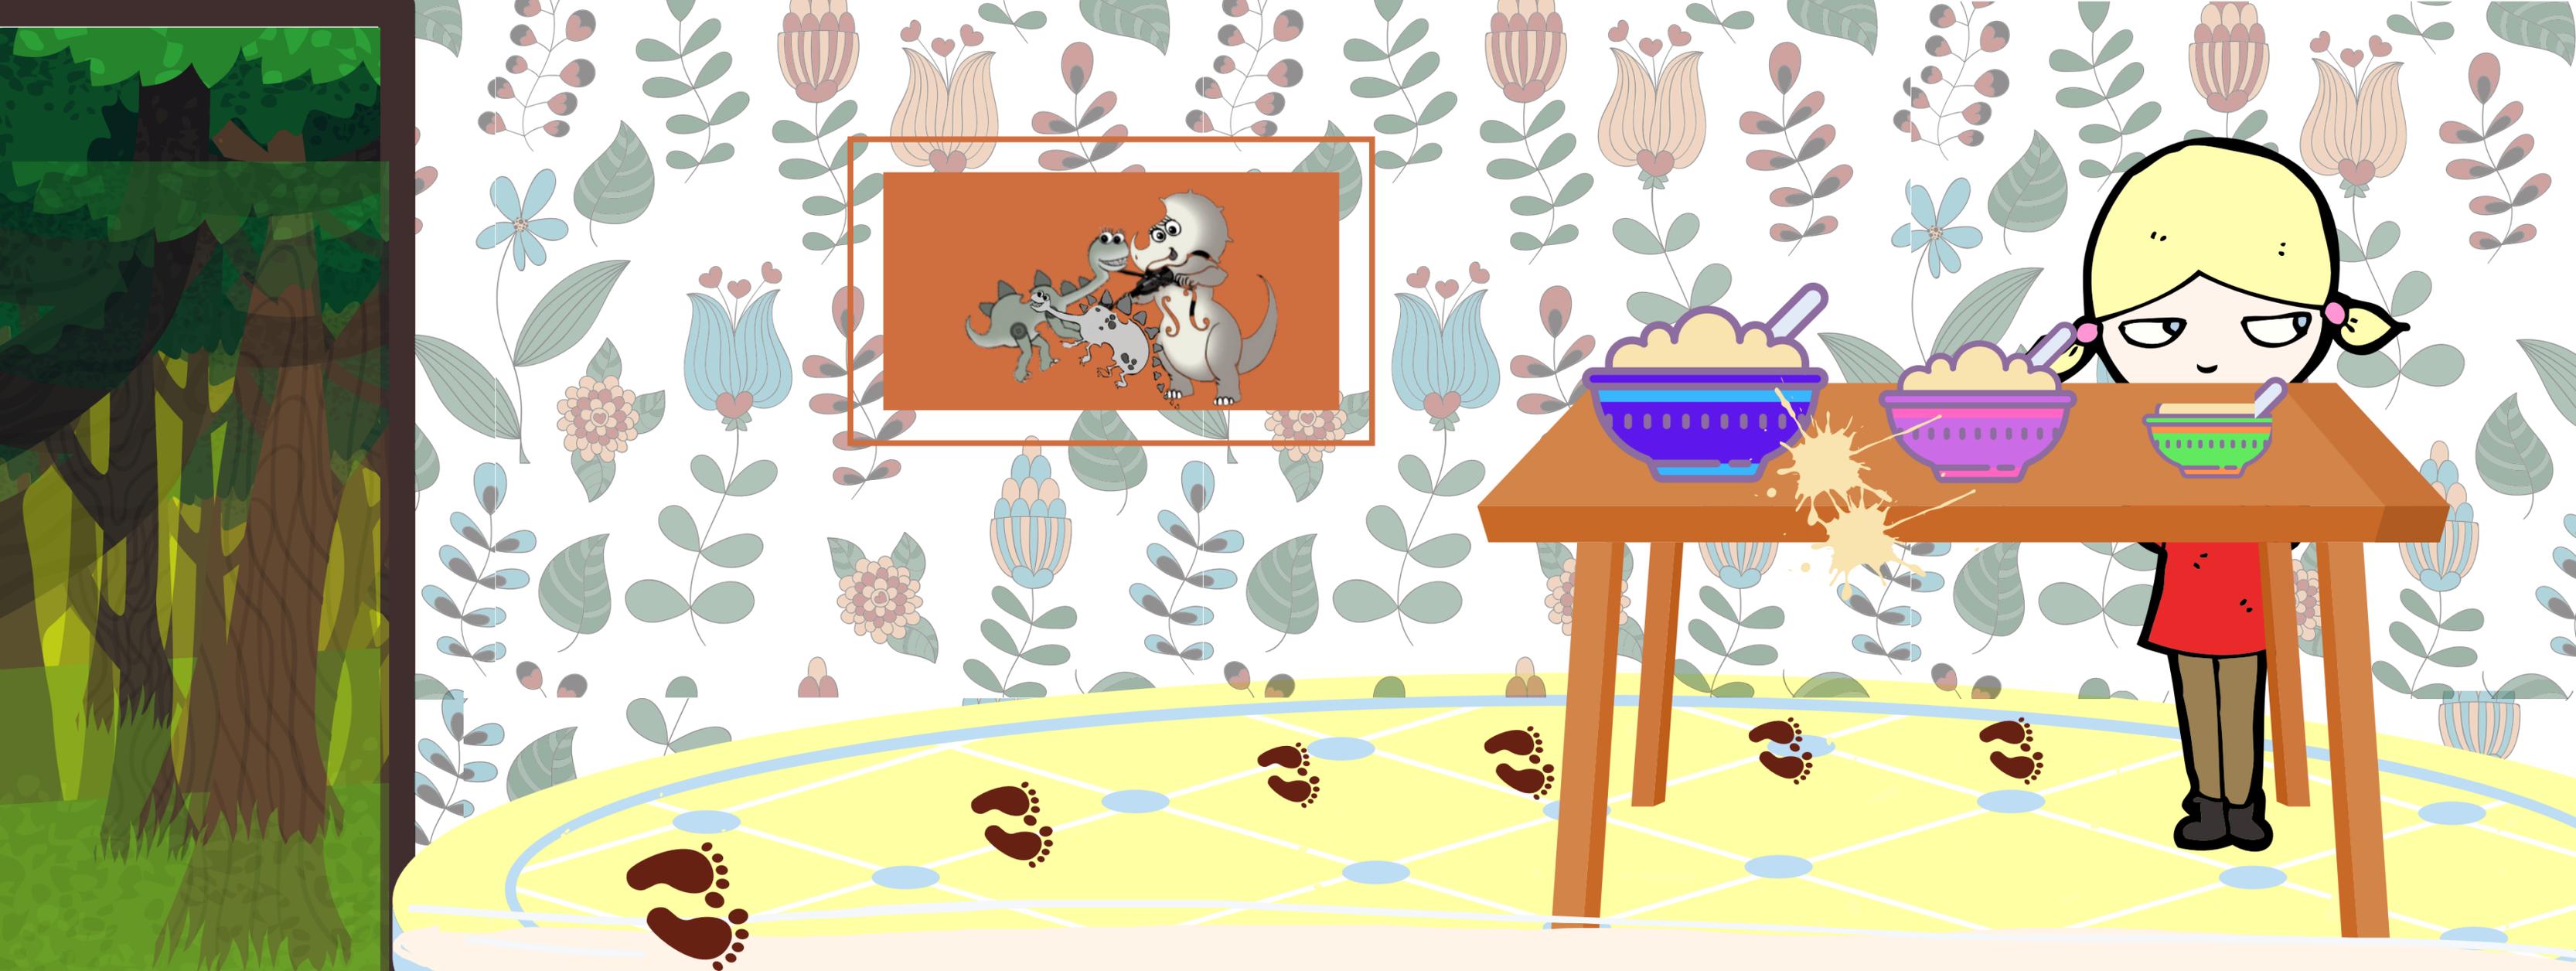

Whilst their porridge cooled down, the dinosaurs went out.
Stomping through the forest they swished their tails about.

Stomping, stomping, just like a baby 'Saurus.

And whilst the porridge cooled down and the dinos were in the wood,
sneaky little Goldilocks was up to no good. She ate their porridge...

"Too hot...

Too cold...

Just right!"

She tried their chairs.

"Too itchy...

Too fluffy...

Just right!"

She lay down in their beds!

"Too hard...

Too soft...

Just right!"

And she fell fast asleep...

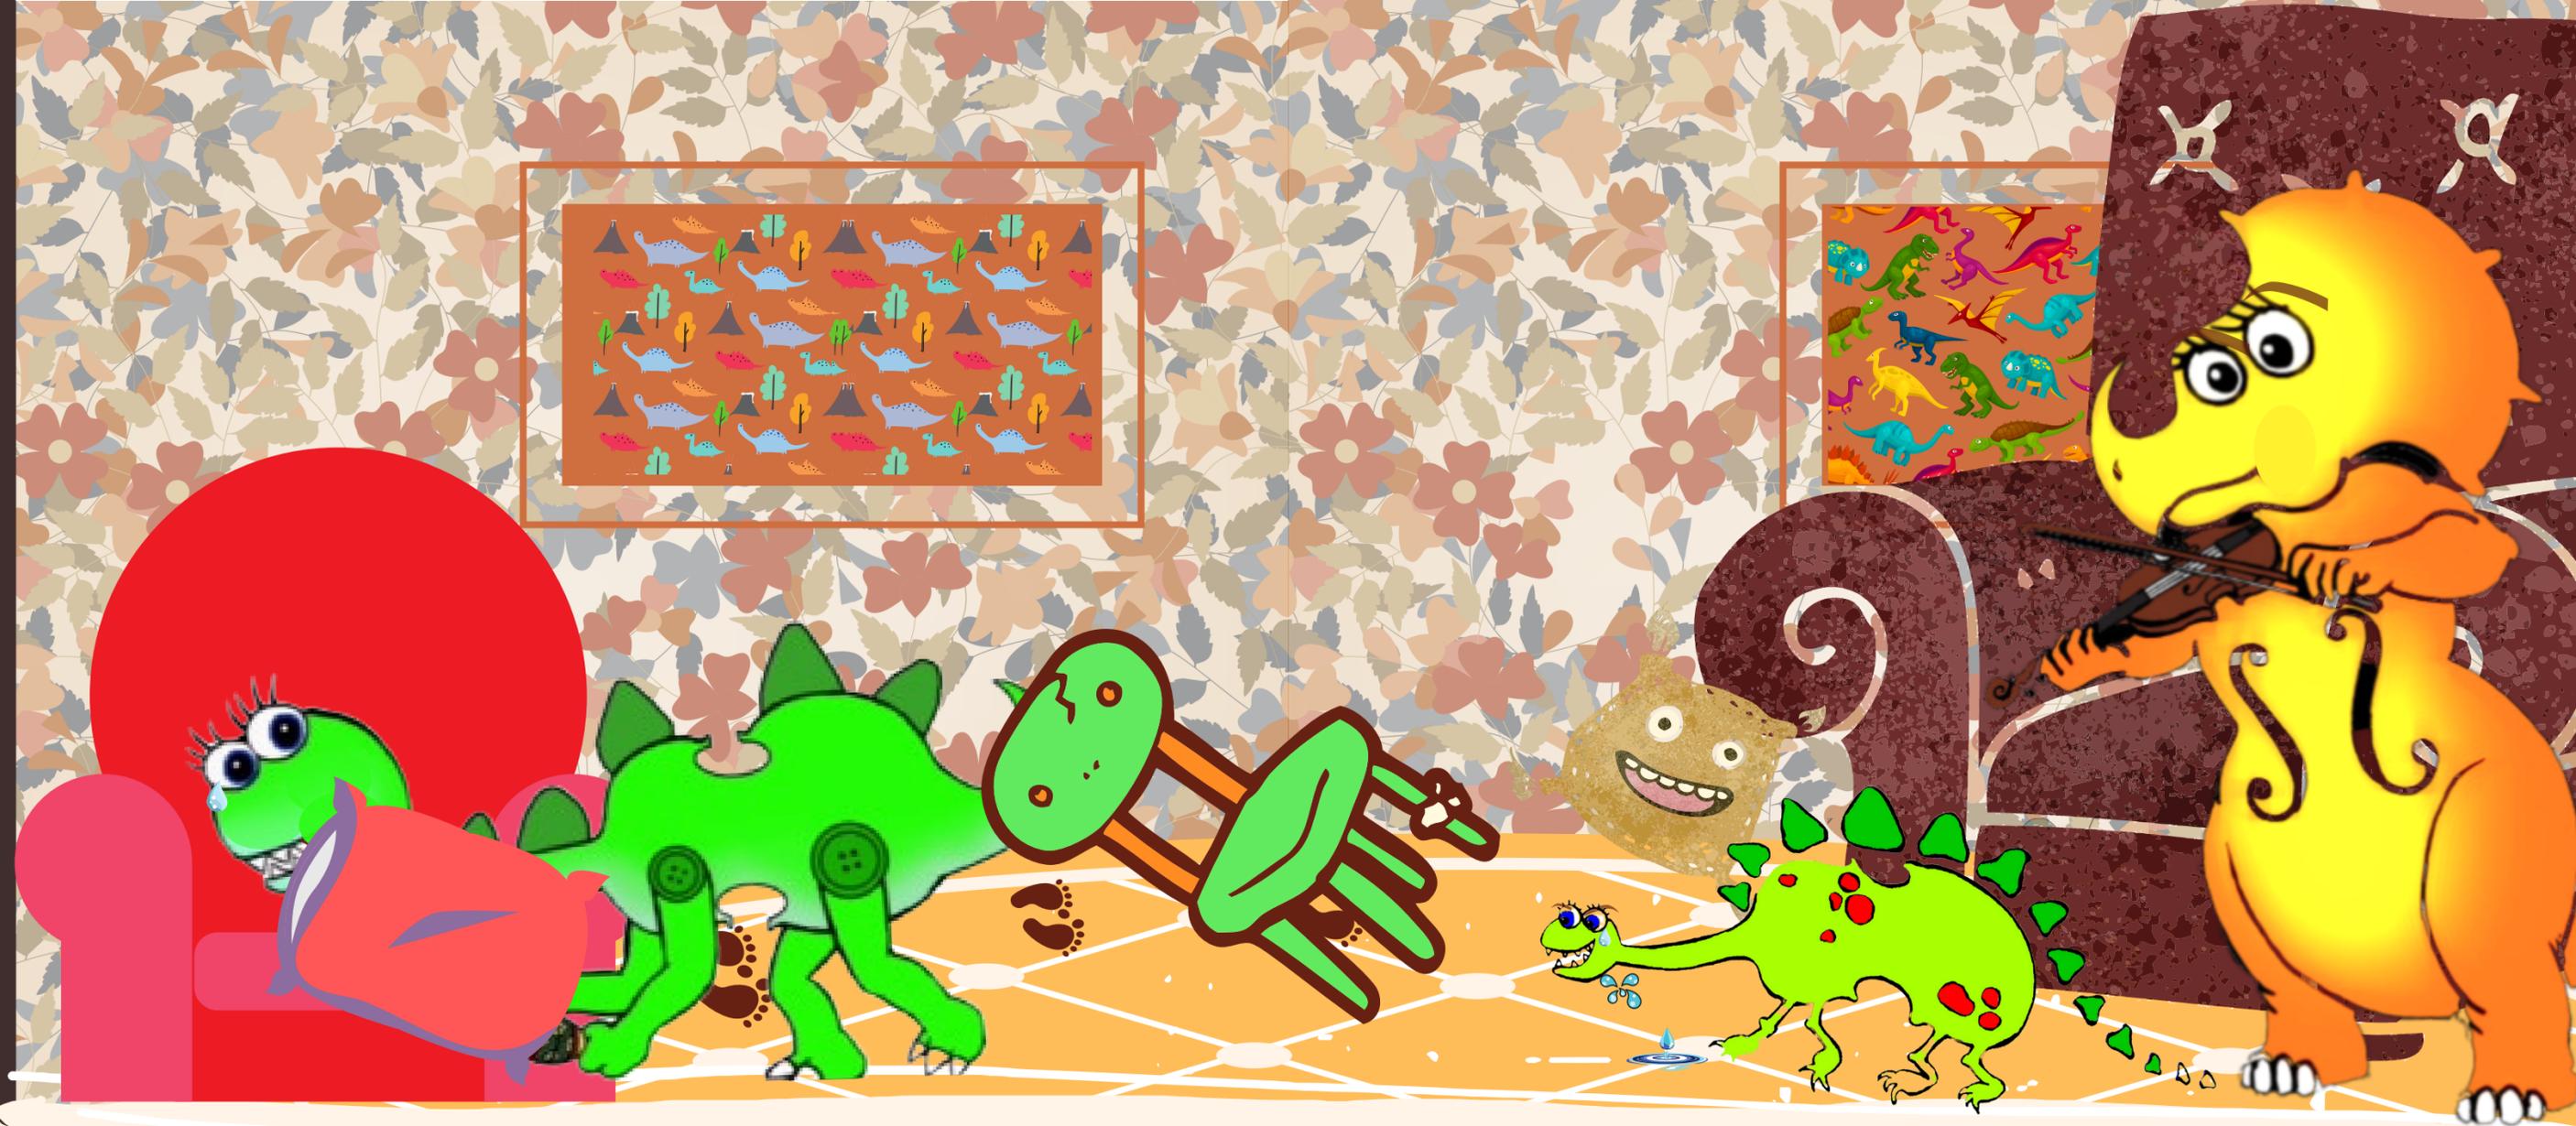

The three dinos walked through their front door.

They looked around and gave a great roar. "Roar!" "ROAR!" "ROAR!"

"Who's been eating MY porridge?" growled Daddy.

"Who's been eating MY porridge?" wailed Mummy.

"Who's been eating MY porridge?" squeaked Baby... "And it's ALL gone!"

The three dinos walked through their living room door.

They looked around and gave a great roar. "Roar!" "ROAR!" "ROAR!"

"Who's been sitting in MY chair?" growled Daddy.

"Who's been sitting in MY chair?" wailed Mummy.

"Who's been sitting in MY chair?" squeaked Baby... "And they've broken it, BOO HOO!"

The three dinos walked through their bedroom door.

They looked around and gave a great roar. "Roar!" "ROAR!" **"ROAR!"**

"Who's been lying in MY bed?" growled Daddy.

"Who's been lying in MY bed?" wailed Mummy.

"Someone's been lying in MY bed!" squeaked Baby... "And they're STILL THERE!"

The three Stringosauruses gave a HUMONGOUS

RARH!!

Goldilocks woke up and

SCREAMED!!

What do you think
happened next?

Goldilocks suddenly realised what she had done and started to cry...

"I am really truly sorry, I've eaten all your food.

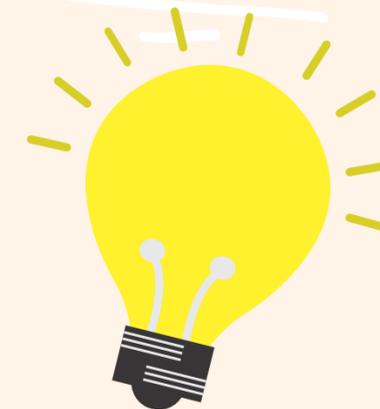

I am really truly sorry, I've been rather rude!

I'll fix your chair and make your beds."

Just then, Baby Stringosaurus had an idea!

"Be my friend, we can play anytime.
Just knock first and check we are there."

And so, Goldilocks fixed everything and often came back to play with Baby Stringosaurus... BUT she always remembered to knock first!

If you're happy and you know it, swish your tail!

If you're happy and you know it, swish your tail!

If you're happy and you know it, and you really want to show it;

If you're happy and you know it, swish your tail!

THE END!
